

Wean Landing and Takeoff Conditions.

1. NO plane may land at the course after 11.00 am. All aircraft travelling to the Wean Races must be landed and parked by this time.
2. Maximum size aircraft is a twin engine 6 seater, including pilot. Any larger aircraft must divert to Gunnedah Airport, and arrange transport to the race course from there.
3. No plane may land or take off if there are horses anywhere on or in the track area. Planes leaving the course must take off between races.

Thank You
